### Candidates

Here are just a few of the candidates for Miss and Mrs. WASP contest. This group of lovely young ladies was selected at random from the entries submitted.

The deadline date for the contest has been extended to July 4 for the benefit of the squadrons, who have been shy about entering candidates. Certainly you have girl friends and wives, too, boys!

This is not to imply that ships company and Flag should slack off with their entries.

Judges for the contest will be the Admiral and Captain and a cross section of divisional and squadron representatives.
