

**FINAL QUALIFICATION AS A
CHIEF PETTY OFFICER**

NAME _____

RATE/RANK _____

This page is to be used as a record of satisfactory completion of designated sections of the Personal Qualification Standard (PQS). Only specified supervisors may signify completion of applicable sections either by written or oral examination, or by observation of performance. The examination or checkout need not cover every item; however, a sufficient number should be covered to demonstrate the prospective CPO's knowledge. Should signatures be forged, unnecessary difficulties can be expected in future routine operations.

In all cases, the responsibility for final qualification rests with the prospective CPO.

This qualification card is a working document and should be kept with the prospective CPO's Charge Book.

QUALIFICATION

Having observed satisfactory performance, it is recommended the trainee be designated a qualified Chief Petty Officer.
